

Bridle & Ride Summer Holiday

From 12/8 until 18/8 I too am going to take a few days off to reboot the batteries. I will however be helping where I can for urgent matters. But please keep in mind that in this week emails will be answered slowly, and there are no deliveries.

Whoever orders on our website during this period will receive a gift voucher for 10% of the value of the order as thank you for your patience !

All work and no play would make me a very (fill in what's appropriate).
